Dear Parents:

Welcome to Lil Scholars. You will find specific information about our programs in this letter but please don't hesitate to contact us with any questions you may have.

What if my child joined mid session?

We prorate our fees for a child's first and last sessions. Just let us know when you want to start or when your child's last day at school will be. We will prorate your fees. If you paid the full amount for your first session we will carry the overpayment into the next session.

How will I know what my child is doing in class?

You can download the vocabulary from our website at any time.

www.lil scholars.com/parent-log-in.html . On week 8 you will receive a note describing how your child is progressing.

How is tuition paid?

We accept cash, check or credit cards. Our credit card system is through Paypal but you do not need a Paypal account to use our system. Click on pay tuition at www.lil scholars.com/parent-log-in.html . If you choose to use a bank autodraft our address is: PO Box 7764, Libertyville, IL 60048.

When you receive your progress report on week 8, that is your reminder that the session is over and a new check should be brought to school.

We also offer gift certificates. This is a great birthday or holiday gift idea for grandparents or others who want to purchase a meaningful gift for your child. Gift certificates can be purchased in any dollar amount for future classes, Spanish@Home, or other materials available on our website.

Where do I pay tuition?

You can drop off checks at your child's school, we pick them up weekly. You can also mail them to PO Box 7764, Libertyville, IL 60048.

How can I help my child at home?

We offer many phonetic guides on our website. Currently, these are in the Parent Log In section of our website www.lil scholars.com. Click on parent log in.

We also offer a CD and parent book that is a fun and easy way to practice with your child at home. The book (58 pages) is a parent enrichment program appropriate for ages 2-6 as a nice addition to what we do at school. It offers parents the opportunity to continue practicing with their child and even learning themselves.

We have our new Language Vacation game that you can use together with your child. This game has a beginner set of vocabulary but as your child progresses additional decks are available.

Our CD is also now available for purchase on the website or through your teacher. You can also purchase the songs individually on our website on the online store.

How quickly will my child learn to use their new words?

All children progress at different rates, remember what they were like when they learned English. They will begin using simple words, then phrases and ultimately they will move on to complete ideas.

GREAT NEWS!!! As we grow we now offer incentives to the parents who helped us become what Lil Scholars is now.

Earn Coloring Books:

Please refer us to your friends, family or anyone you know with a child between the ages of 2-7. We will supply you with business cards you can pass out. If five of these people contact us you will receive a special coloring book to go with the vocabulary we are currently teaching your child.

Earn FREE Spanish classes!

Help us find new schools. Do you have a friend or neighbor that would be interested in us teaching at their child's school. ***We offer a 50% off session for your child if a new school signs up from your referral.***

Do you know someone who can speak Spanish and English that would like a part time job with very flexible hours? Have them call us. ***Once the hiring process is complete we offer a 50% off session for your child.***

We are growing all around the United States. We are looking for the right people to grow with us. We are looking for people who have a sincere desire to be successfully self-employed. Please have them contact us about our new franchising agreement that will allow them to open a large or small Lil Language Scholars business. The only requirements are:

- Spanish and English speaking ability
- Willingness to put forth the work necessary to be self employed
- Computer skills necessary to work virtually with our home office.

We offer a FREE 8 Week Session once the franchising agreement is signed.

Again, Thank you so much for the opportunity to work with your child.
